NOTA: A informação apresentada corresponde à rede de instituições parceiras da ESSALcoitão no âmbito do Programa Erasmus+ e reflete o estado dos acordos interinstitucionais à data da sua publicação. A ESSALcoitão privilegia atualmente os procedimentos digitais previstos pelo ecossistema Erasmus Without Paper (EWP) para a gestão dos acordos interinstitucionais, dos Online Learning Agreements (OLA) e dos restantes processos de mobilidade Erasmus+, subsistindo apenas um número residual de acordos históricos formalizados em suporte papel.

NOTE: The information provided reflects ESSALcoitão's network of partner institutions within the Erasmus+ Programme and represents the status of the respective inter-institutional agreements at the time of publication. ESSALcoitão currently prioritises the digital procedures established within the Erasmus Without Paper (EWP) ecosystem for the management of inter-institutional agreements, Online Learning Agreements (OLA), and other Erasmus+ mobility-related processes. Only a limited number of legacy agreements originally formalised in paper format remain in place.
